

# **Friends of Fourfields PTFA**

## **Chairs Report**

**The PTFA has enjoyed another fantastic year raising money for the children of the school and a massive thank you to the committee, teachers and parents, all supporting and giving up their time in helping making a difference to the school.**

**Over the school year we have held several successful events including The penalty shootout, disco's, 5 days of Christmas, Flower stall, Curry Night, Ice creams at the Sports Day and the Summer Fete.**

**The Funds raised through these events have allowed us to pay for Year 6 Leavers Hoodies, Bus to the Pantomime, Pizzas for all the school and free ice poles on Sports Day. Hopefully the money raised in the last school year can be put to a good use in the forthcoming school year.**

**This year has had its financial difficulties for everyone but despite this the support parents have given the PTFA has been phenomenal! It's been a very busy but successful year and I would like to thank everyone who has offered their support to make the events happen. Let's look forward to the next year being even better still, raising more money to help and support our children and the School.**

**Thank you**

**Michaela Hooper**
