- Update from Mrs Woods

Thank you to Sonny for showing me the tree which is a problem. Malc Firth's men will be coming to remove the damaged rowan tree from the reflection area, but it won't be done until the Easter holidays.

There are several bags of bark chippings in the bike sheds at the front of the school which you are welcome to use. If you ask Mr Lyon I am sure he will find a wheelbarrow and bring them round to the reflection area for you. Little FiSH/School Council to replenish the bark in Term 5
