Mrs Collett reminded the School Councillors about recording ideas in the notebook and went with Ameila and Spencer to Regents and St James to explain to the class about how they can record their ideas.

2. PTFA/School Council business plan initiative

**Ideas:**

3-D printer to make items that can be sold. The school has put in a bid from the Middlecott Trust Charity for a printer, but has yet to find out if it has been successful. A 3-D printer would allow the School Council to support the DT curriculum and set up their own business to make items that they can sell to generate funding.

The School Council will gather further ideas from their class for the business plan to be discussed next week and an idea selected and put forward.

**Remembrance and Children in Need**

The Hyde School Councillors are selling poppies this week and next and any further ideas will be discussed at the next meeting.

**Date of the next meeting**

Wednesday 9<sup>th</sup> November at 9:00 am

**Agenda items**

- School Council notebooks
- Finalise ideas for the PTFA funding contribution
- Any School Council jobs for Remembrance and Children in Need
