# Welcome to our Hyde 'Bubble' Year 4, 5 and 6!

## Summer Term Two

We welcome you back to school after the last few months of home schooling. I know there may be uncertainty, worry and a sense of anxiousness, but please be assured we are doing all health and safety measures to keep your children safe.

### Our Curriculum

This term in our Hyde 'Bubble', we are going to try and have a sense of normality by planning lessons like we would usually. **In History**, we are going to focus on Walls and Barricades. We will be using this to create a mixture of historical and geographical lessons for the children, learning about famous structures both past and current of the world.

**In Literacy**, our first book that we are focusing on this term is 'The Legend of Heracles'. This book is a fantastic opportunity for children to develop positive attitudes to reading by increasing their familiarity with fiction. Our reading may look a little different this term, we will still be able to access Accelerated Reader but we only have a few iPads so it may take a little longer. Children **will not** be accessing the library.

**Maths** – We are starting off the term by looking at addition and subtraction (Y4&5) and ratio and proportion (Y6). We will continue using Busy Ant maths as well as challenging ourselves through reasoning and problem-solving challenges and daily arithmetic.

**RE, PHSE, DT, Science**– This term, we are going to focus on Judaism and look deeper into the religion, how it originated, traditions and beliefs. In PHSE, we will be focusing on money and how to use it appropriately, but we will also be completing many lessons which support positive mental health and well-being, especially during the first couple of weeks. In DT, we are going to be designing, and branding our own cereal bars and finally in Science we are going to explore Sound!

**PE** - We will be taking on a curriculum area with JB Sports on a **Thursday** afternoon. Children **can** come into school on this day wearing P.E kit.

### Health and Safety

**Please see the Risk Assessments and updated letters on Dojo regarding how school is going to look over the next few weeks/months.**

Important information –

- Children to bring in a spare change of clothes
- Children to bring in a water bottle – they will **not** be able to use the water fountains
  - Only 1 parent/carer to collect and drop off at provided times
  - Children to arrive at the time given
- Children to keep a safe 2m distance and follow hand-washing guidelines

Please do not hesitate to contact us with regards to any issues or concerns you may have.

Many Thanks,  
Miss Ablard and Mrs Wilson 😊
