

EARLY YEARS ENGINEER®

The Fourfields Church of England School, Sutterton

A Early Years Engineer® School

2019-2020

Dr Susan Scurlock MBE

Founder and Chief Executive
Primary Engineer® Programmes

Engineers in the making®

Early Years Engineer® provide broad general education for whole class groups with the emphasis on engineering.

Teachers have attended continual professional development courses to support the teaching of practical maths and science through technology linked to the wider world of engineering.
