This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, extra-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

Our school curriculum for music can be found here, including our intent, implementation and impact statements and the progression of skills linked to our Music Express scheme of learning: [Primary | Music | Music Express Skills Progression and Curriculum Mapp – Collins](#)

Children have opportunities to sing or play an instrument during lesson time with additional time in weekly assemblies and through extra-curricular groups and ensembles.

Sutterton Fourfields has links with the local music hub who provide one-to-one tuition and after school provision.

Our current provision for whole class instrumental teaching allows children to experience a range of tuned and untuned percussion instruments. Children in LKS2 have whole class music tuition from the Lincolnshire Music Service for a term.

Part B: Extra-curricular music

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles and bands, and how pupils can make progress in music beyond the core curriculum.

At Sutterton Fourfields, children from year 3-6 can learn piano or keyboards in one-to-one lessons provided by Lincolnshire Music Service with a small charge.

We provide choral singing through a music teacher with Boston Parish Church for all of KS2 in the Autumn Term with advanced choral singing for year 6 in the Spring Term resulting in a performance called the 'Big Sing'. Children in KS2 take part in a Young Voices Club culminating in the largest choir in the UK at the Young Voices performance in Sheffield.

Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

- Weekly singing in assemblies for EYFS, KS1 and KS2.
- Harvest festival, Christmas Services, Easter Services and End-of-Year Services (each key stage performs a song and/or poem).
- EYFS/KS1 nativity performance (all children take part and perform to the school and to parents).
- KS2 Christmas concert.
- Year group assemblies (1 per term per year group performing to parents)
- Visiting pantomime at Christmas (children have a chance to see a live performance at a local theatre.
- Lincolnshire Music Service.
- Year 6 end of year performance.
- Opportunities to hear live music performed from a wider range of musicians and from a range of musical genres through the Boston Symphony Orchestra.

In the future

This is about what the school is planning for subsequent years.

- access to lessons across a range of instruments, and voice to increase including woodwind, string and brass instruments.
- a school ensemble, band or group such as a wind band/string group or recorder ensemble.
- Changing from the Music Express scheme of learning to a more bespoke curriculum linked to the needs of the children in our school

Further information

The Department for Education publishes a [guide for parents and young people](#) on how they can get involved in music in and out of school, and where to go for support.
