Website: www.suttertonswinesheadfederation.co.uk

Happy New Year and welcome back,

Firstly, I hope you have all had a lovely Christmas. As we roll into 2020 we have a huge number of events, coffee mornings, sport and enriched curriculum events planned throughout the year. It is always a pleasure to see so many families join us at these events. Please let us know if your child has done something amazing outside of school so that we can share and celebrate their achievements each Friday at Celebration Assembly.

Kind regards, Mrs C Collett

## Year 5 Science, Technology, Engineering & Maths – The Viking Project

Viking-Link are an engaging group of scientists coming in to work with Year 4 children. Their aims are: To support your STEM curriculum teaching, to raise childrens' understanding of engineering and to raise their aspirations to consider engineering as a career choice. They will follow the current year 4's journey from now until y6 by coming in each year and working with them.

## **Young Voices**

Some KS2 pupils had the amazing opportunity to attend the Young Voices 2020 Concert! It was a fantastic day filled with singing, dancing and laughter. All the children and staff thoroughly enjoyed the experience and Miss Westfield has already had lots of children asking when they can they sign up for next year!

#### **School Council**

We have already started to plan for the term ahead and Valentine's Day and an autism awareness day led by the School Council is being planned.

## Richmond's EYFS Outdoor Area

It now has new playground standard wood-chippings, new sand and has had a good clear-out. It looks fantastic and is ready, in all weather, for early years continuous learning.

## Relationships & Health Education

As you may know, the changes to the Relationships & Health Education come into effect in September 2020. This will make health and relationships education compulsory. We have been teaching RSE since September and this term's topic is based on respect. I have been working on a new policy for the federation in conjunction with Lincoln Diocese which I will be consulting on with our stakeholders. A copy of the proposed policy will be with you this term.

### **Staffing News**

We welcome Mrs Stephanie Martin as a new 1:1 TA in Kelso class and will become a new 'Pink Lady'. Mrs Martin is studying part time for an education degree and was the mid-day supervisor at her previous school and a volunteer teaching assistant.

Mrs Alder is a new 'Pink Lady' at
Swineshead. She is a Sutterton parent
and knows the federation's systems and
has settled in really well.
Mrs Hamilton is the new MSA at Sutterton
as Mrs Murphy has taken early maternity
leave. Mrs Hamilton is also a Sutterton

as Mrs Murphy has taken early maternity leave. Mrs Hamilton is also a Sutterton parent and we worked together on the Boston South Children's Centre Advisory Board in which Mrs Hamilton did some great work.

## Lindisfarne and Sempringham's Art Exhibition

The first ever Swineshead art gallery was held last term. It was a huge success attended by many family members. The children loved showing off their Monet inspired work and teaching family members their new art skills.

#### **Sporting News**

Swineshead played away in a cup match with St Thomas'. It was a developing team who played really well and the final score did not reflect their effort or skill. Swineshead has qualified for the final of the year 5/6 indoor sports hall athletics and Sutterton are also performing well in the football league.
