Comic Relief

The theme is 'Funny is Power' and the children will take part in activities to raise awareness and promote acts of kindness. All pupils are invited to come to school on **Friday 17th March** dressed as either a superhero, wear 'whacky' clothing or wear something red. We will also be inviting children to share their favourite jokes during celebration assembly as part of a competition to find our very own 'Humour Champions' with sweets for all entrants.

World Book Day

To celebrate World Book day staff and children dressed up as their favourite book characters! Lots of World Book

Day classroom activities took place and everyone had a lot of fun encouraging children to read to enhance not only their vocabulary but to widen their imagination and writing. Children at Sutterton took part in 'Get Caught Reading' and made book character-themed wooden spoons whilst the children at Swineshead created their own stories based on a book they love which they shared with families when they came into school. All children received a book voucher to spend on a new book.

The Coronation of King Charles III

We are planning a special day on Friday 5th May 2023 to celebrate the Coronation of King Charles III.

We will host a Coronation themed assembly and hope to crown our own Emmaus Kings and Queens. We will all play the part of being loyal royal subjects followed by a traditional Coronation themed picnic at lunchtime for families. Sutterton's Parish Council are kindly donating a celebration mug to all pupils who live in Sutterton, Wigtoft, Fosdyke or Algarkirk and attend either Swineshead or Sutterton school. The Parish Council will present the commemorative gift during Sutterton's assembly.

We will be closed for the King's Coronation Bank Holiday on Monday 8th May.

Science Week

This year, **British Science Week** is all about **connections**. We are excited to be able to celebrate this in school. To find out what's going on

visit: <https://www.britishtscienceweek.org/whats-on/>

Sutterton parents are invited into school on Monday 13th March at 2:30 pm to share their child's science learning.

Year 6 SATs Breakfast Club

We will be opening our doors to Year 6 on 9th May to 12th May for the SATs breakfast. It's a great way for children to prepare, socialise and to alleviate any worries before their end of primary school assessments. SATs Breakfast Club is free to all children and opens at 8:00 am

Year 6 SATs Easter School

The staff and children are working very hard in order to prepare the children for the Key Stage Two tests. As part of the build up towards SATs week we will be holding an Easter school for Year 6 children and your child's class teacher has sent out invites. The children do not have to wear uniform and normal behaviour expectations will apply.

Dear Parents and Carers,

We've had a very busy term so far with a wonderful World Book Day, terrific class assemblies and masses of learning. We've had lots of visits from external validators who have found our schools to be doing everything that they should be doing and achieving and exceeding all of their targets.

We've also had Parents' Evening which is a great opportunity to share learning and discuss positive achievements alongside any issues. Please get in touch with your child's class teacher if you want to discuss anything further or speak to a member of our SLT if you are still concerned about something.

Kind Regards,

Mrs Collett

Executive Headteacher

Sporting News

We are very pleased to announce that we have received a **national GOLD award** to recognise the excellent provision of sports clubs and our achievement in competitive sport at both Sutterton and Swineshead.

The Sainsbury's School Games Mark is a Government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. We are in the top few percentage of schools in Lincolnshire to receive this accolade. Matt Haslam, Sports Partnership Leader, has led disability sports awareness days. All children across the federation have played Boccia and Goalball.

Sutterton has achieved an incredible accomplishment in being the overall winners in football for the whole of Lincolnshire. They will now represent the county in the Midland finals.

We are really proud of all the children's sporting successes and teamwork. I would also like to pass on my thanks to the incredible staff that lead sports across the federation.

Primary Assessments

Year 6

Tuesday 9th May - KS2 English Grammar, Punctuation and Spelling tests

Wednesday 10th May - KS2 English Reading test

Thursday 11th May - KS2 Mathematics tests

Friday 12th May - KS2 Mathematics test

Year 4

The Year 4 children will undertake the multiplication check within a 2-week period from Monday 5th June.

Year 2

The Year 2 children will be tested over a period of days from Monday 15th May through to Monday 29th May.
