Welcome from the CEO of The Trust – LAAT
Be a part of something bigger...

Dear Candidate

What if every child was unique with **intrinsic value**? What if every member of staff was unique with intrinsic value? What if every school was **unique** with intrinsic value? At LAAT we believe that they are.

We're a **Church of England** trust so we call it being made in the image of God. But you don't have to. You just need to be able to look at our children and young people – however deprived or privileged, however difficult or compliant, whatever their background, or ability, or culture, or gender – and know that what you do, how you teach them, what you give to them, how you relate to them can **transform** their lives. And then you must have the energy, and passion, and drive, to give them your best.

We don't ask you to do this alone. We'll provide you with the **support** of a MAT who believes that you too are unique and **valuable** – valuable for who you really are.

So, is now the time to think hard about what you want and to look at what Greater Lincolnshire and Lincoln Anglican Academy Trust can offer you? A chance to grow your career, **professional support** and the opportunity to transform lives.

Within fabulous **Greater Lincolnshire** with its beautiful beaches, woods, Wolds, fields and fens its 2-university city and its access to new and growing technologies. Its **reasonable priced houses** and home to the Red Arrows.

Is now the time to find out more about us and to join our **community** of **Excellence, Exploration and Encouragement?** To change lives with us, for the better .

What's it like being an Extended Provision Assistant in LAAT?

Introduction

At the heart of every thriving school is a dedicated team. We're looking for passionate individuals to join our team as an Extended Provision Assistant, offering not just a job, but the chance to contribute to a supportive and caring school environment.

As an Extended Provision Assistant, you will play a vital role in the daily life of our school, ensuring a safe, supervised and engaging environment, providing children with crucial support outside of the regular school day, fostering their academic, social, and emotional development. It's about fostering a positive environment where children feel supported, respected, and encouraged to develop social skills and healthy habits.

Why this role matters

This role provides wrap-around care for children before and after regular school hours, which creates a positive and impactful environment for both students and staff.

You act as a mentor, offering emotional support and building strong, positive relationships with the children you work with, which is a key part of the role . Other reasons that this role matters include:

Encouraging academic success: Assistants help with homework and organize enriching activities that reinforce classroom learning, which is especially beneficial for disadvantaged students. After-school care has been shown to improve attendance and attainment.

Enhancing social and emotional skills: By interacting with children in a less formal setting, assistants help them build positive relationships with peers, practice teamwork, and develop confidence and self-esteem.

Promoting well-being: Extended provision provides a safe, structured space for children to unwind and engage in productive activities, which is a healthy alternative to unsupervised free time. The enjoyment that children experience in these groups can also improve their overall attitude toward school.

About Sutterton Fourfields Church of England Primary School

Sutterton Fourfields Church of England Primary School's vision is based on Christian principles, values and aims: *Two travellers are transformed and enriched by sharing their journey with a guide. We view our work to be similar in making a difference to future lives. We travel together on our journey of transformation and commit our school to always being supportive, nurturing and challenging.*

As in the gospel story of two travellers who meet and are transformed and enriched by sharing part of their journey with a guide, we view our work with children to be a similar brief opportunity to make a lifelong difference to their future lives.

For part of the children's life journey, we have the privilege to walk with them. During these fleeting years, we commit to ensuring that every child is enriched, challenged, supported, and developed so that they can be the best that they can be.

We use the strapline, "Small Village, Big Horizons" to articulate our vision for the schools. We want our curriculum to expand the experiences and ambitions of our pupils. We want our pupils to learn about local knowledge alongside national and global information.

We seek to not only provide an environment which promotes achievement in learning but also one of warmth, security and care, valuing each member of the school community and working to encourage the realisation of everyone's potential.

We celebrate all achievement whether big or small and challenge our children (and ourselves) to improve even more. We encourage a 'can do' culture, a thirst for life-long learning and a pride in each other's skills and attributes.
